

AmAZe Your Career with the Town of Marana and Arizona Online Employee Education Partnership

One of the leading research institutions in the nation and ranked among **the top 30 best online bachelor's programs** by U.S. News & World Report, the University of Arizona Online offers bachelor's degrees, masters degrees, and graduate certificates that connect students directly to Arizona's flagship university, 100% online. At Arizona Online, you are part of a **community that embraces the challenges of adult life** and provides the structure and support you need to excel. You can expect the same **world class degree** programs and **supportive environment** in your online community as you would get on the University of Arizona campus. Through the Arizona Online employee education partnership, choosing to start or finish a degree with University of Arizona Online includes some **fantastic benefits**:

- 10% tuition reduction for online undergraduate programs, 10% tuition reduction for online graduate programs
- University of Arizona application fee waiver
- Arizona Online benefits extended to spouses, domestic partners and dependents
- Dedicated enrollment counselor to help you through the admissions process
- Over 100 programs available, all 100% online with the same degree and faculty as campus programs
